VOL. 6 NO. 1

FIRST QUARTER 1985

EDITOR'S LETTER:

Dear Members,

For the benefit of our new members - and for those old members who may have forgotten - I felt it was time to remind you of the following:

Strickland Research, Inc. is a VOLUNTEER organization. The work done by officers or members of our organization is strictly volunteer. No one is paid for jobs within the organization. How much time have YOU donated to the organization?

Strickland Research, Inc. has a library containing the individual files of our members, Ancestor files, Document files, books and manuscripts pertaining to the Strickland family, and periodicals which are donated or exchanged. Have YOU donated a book? Or, have YOU sent any genealogical periodicals you are no longer using? Or, have YOU even completed an ancestor chart and family group sheets for YOUR membership file?

Strickland Scene contains the material submitted by members. If YOUR State or YOUR ancestor has not been included in one of the issues, could it be because YOU have not contributed anything? We are interested in ALL the facts about ALL of our Strickland ancestors. If you have time to abstract Strickland information from county records - Great! If not, we can use copies (xerox or original) of old letters, old diaries or journals, newspaper clippings, Bible records, cemetery surveys, etc. Any information about the Strickland family is important. By printing this information in Strickland Scene, we are making it available to Strickland researchers now and in the future. Our quarterlies are being sent to many libraries throughout the country, as well as to the Library of Congress, and, hopefully, will be available to researchers for many years to come.

At the moment, Folks, it appears I am THE Volunteer for the organization so far as answering correspondence, typing the quarterly, or keeping our library up-to-date. If you live in the Atlanta area, do you have a few hours per month - or even a couple of days per year - you can spend in our office? When only one person is doing the work, it is very easy to get behind, and very difficult to catch up. If so, give me a call at 996-8274.

My thanks to Robert C. Stricklin for the tremendous amount of information he has contributed to Strickland Research, and for the lovely book, LAURELS OF BIG IVY by Margaret Harrison Kerr. If you are interested in the community of Big Ivy in Hardin County, Tennessee, this book is excellent. It is such a heart-warming story that, whether or not your relatives are from the area, it is well worth reading.

My thanks also to Gwendolyn Sproat for donating to the library her notebook filled with Strickland information she has gathered. It is a welcome addition to our library and we will, from time to time, print some of this information in Strickland Scene.

I end my letter with an apology for being so late with this issue. Maybe some-time this year I can get everything back on schedule.

Sincerely,

Nancy Cornell, Editor

Dear Miss Strickland,

Yes, I shall be glad to give you what I know of my line. My uncle, Frank Strickland, gave me all my data. I am now trying to locate the old Bible in order to secure births, deaths & marriage records. I hope to be able to go into the D.A.R. on the Strickland line.

Yes, my Stricklands were from Gwinnett Co. & the reason that I wrote to Lawrenceville was that I thot it the Co. Seat. I just wonder if Uncle Frank could have called Miles for Milzie? I'll send you what I have & perhaps it may be of use to you. I do not care to go into the Genealogical Search for data, just to secure family data to establish the Rev. War Record. Are you a D.A.R.?

One of my Gr Gr Aunts is still living. She is almost 100. Henry Co. and Dallas Co., Mo have many of my Strickland family. We are from Webster Co., Mo. Our 2nd Henry had 20 children. I'll give you my line as Uncle Frank gave it to me. Hope I can find our missing link,

REVOLUTIONARY PENSION FILE OF DAVID STRICKLAND
CONNECTICUT CONTINENTAL TROOPS

File No. S35084

David Strickland enlisted in Litchfield, Connecticut, in July, 1775, and served five months in Captain Nathaniel Tuttle's Company, Colonel Charles Webb's Connecticut Regiment. He re-enlisted and served for one year in the same company and regiment. In February, 1777, he enlisted in Captain Warner's Company, Colonel Samuel Wyllys' Connecticut Regiment, and was transferred to Captain ___ Company, Colonel R. J. Meigs' Connecticut Regiment and served three years in all. He enlisted sometime in 1781 and for one year served as 1st Sergeant in Captain Nathanel Edwards Company in a Connecticut Battalion, and again enlisted in 1782, serving as 1st Sergeant in Captain Jabez Fitch's Connecticut Company, and continued in service until the close of the war. He was in the battles of White Plains, Scots Plain and Stony Point.

David Strickland was allowed a pension beginning in 1819. He was sixty years of age and a resident of Wayne County, Missouri Territory. In 1823, he was residing in Miller County, Arkansas.

(Editor's Note: Most of David Strickland's file is illegible - whether due to bad microfilming or faded originals, I do not know. Most of the above information is from a typed letter in the file written to Rev. George S. Sutton of Kansas, dated June 28, 1934, in reference to a request for Revolutionary records of David Sutton, John Sutton, David Gardner, Joseph Rogers and David Strickland.)

PLEASANT GROVE PRIMITIVE BAPTIST CHURCH, COLQUITT COUNTY, GEORGIA

Contributed By Miss Margaret Major

This cemetery is located on the Adele Road east of Moultrie, GA. Most of the Stricklands buried here are related and many of the collateral families are here also. This research helped me further identify some of my folks. (1) I was looking for 'Frank' Strickland and found he is Miles Franklin Strickland. (2) James E. is Elbert J. (3) Mrs. Mary Byrd is Mary Scarborough. (4) 17 are children and grandchildren of Stephen S. Strickland. Stephen S. Strickland's first wife was Harriet Maria McClelland. Her grave is in a very small private cemetery and her tombstone is the only one standing: "Hearit Mariah, Born 1829, Died June 1872." Stephen Elias Strickland's first wife, Senith Barnes, is in a small cemetery in the middle of farm land in Brooks County, GA. There are 65 graves in this small cemetery; 2 are Stricklands: "Mrs. Senith Strickland, 1860-1900" (my grandmother); & "Hester Strickland, wife of J. B. McCoy, 1862-1900." I call this the Gornto Cemetery, because they once owned this large farm that now belongs to a Folsom family. Stephen Elias Strickland lived in the vicinity and was related to Folsoms, Edmondsons and Gorntos. My father was born in this area. -Margaret Major.

Survey made May, 1984, by Mr. J. Clyde Jones of Morven, GA, and Miss Margaret C. Major of Jacksonville, FL. The following is a small portion of the cemetery:

Dear Sir or Madam:

One of your members, Robert C. Stricklin of Dallas, Texas, wrote me of your organization and sent a membership application. He did this after seeing a query I had submitted to Family Puzzlers which had a reference to one Louisiana Strickland. She is a collateral line so I won't want to make application for membership but I must say I am impressed with your introductory letter and the safeguarding of the material you collect. For this reason I thought you might like to have the following:

Joseph B. Stirling to Roberta McMillan November 12, 1888

The 1880 census of Pt. Coupee Parish, Ward 1 #308 showed:

B. Strickland, wm 48 farmer, MI, MI, MI

Nancy 43, LA, LA, LA

& children:

Buckanan 21, Louisiana 18, Mississippi 15, Genesee (f) 12, Robt. Lee 10,

Wm. 8, Lula 5, Poindexter 3, & Robert Warner 40.

It is the Sterling family I am researching. Joseph was a brother of my husband's grandmother and I would love to correspond with any Sterling descendants.

Good luck with your organization.

Sincerely,

Thanks to those of you who answered our questionnaire pertaining to our Annual Meeting. We hope to announce our plans soon and sincerely hope most of you will plan to attend. We try to hold costs down in order to make it more affordable for all of us, and we hope this year will cost very little more than last year. If you have never attended, you are really missing out. The fellowship and mutual interest in our Strickland heritage is well-worth the time and money spent. I have been there every year - and - every year I learn something new and meet new friends and distant cousins. I would like to meet you, too. Hope you will be there this year!
